

## Main Login GUI

The screenshot shows the main window of the 'FF Student Registration' application. At the top, the title bar reads 'FF Student Registration'. The main content area features a large, bold, black 'WELCOME!' message. Below this, there are two input fields for 'Username:' and 'Password:'. A red text link 'Forgot Password?' is positioned below the password field. At the bottom, there are two buttons: 'Login' and 'Guest'. The application window is decorated with a light gray background and a series of thin black lines forming a stylized 'V' or mountain shape at the bottom.

**Guests are greeted with the same master course list that is displayed for students, teachers and administrators, but without requiring a log-in to do so**

**The GUI Shown  
is determined at  
time of log-in**

## Student Perspective

**Searchable GUI for adding courses, and a list populated with current classes from which you can drop / remove.**

The screenshot shows the 'FF Student Registration' application window. The title bar includes standard Windows controls (minimize, maximize, close) and a 'Log Off' button. Below the title bar, the window contains a header area with the text 'View Courses'. Underneath the header is a status bar that reads 'Current Logged In User:'. The main area of the window is occupied by a large table with the following columns: CRN, Class, Capacity, Remaining, Teacher, Time, and Room. The table has many rows, most of which are empty. To the right of the table is a vertical scrollbar. At the bottom left of the window is a 'Back' button.

**Shows all available courses to student**
