Changed:

- Jose: Formatted source code to fit with normal formatting
- Stephen: Fixed window so that it could not be resized to an invalid size (or at all)
- Jose: Set BOTH text fields to not be editable.
- Jose: Removed white background from Klingon
- Alay: Converted button labels to Klingon
- Steven: Changed title of program
- Jose: Removed redundant customers.txt from rsc folder
- Jose: Set UI to use System UI style if possible
